Welcome to Yuma...
The Sunniest Place on Earth!

According to the Guinness Book of Records, Yuma is the sunniest place on earth. A wealth of sunshine, the warmest winter climate in the country, and the natural splendor of the Sonoran Desert converge to make Yuma a popular winter destination. In fact, tens of thousands of visitors from colder climates throughout the United States and Canada come to Yuma each winter.

COLORADO RIVER
Cooling off in Yuma can be a real treat, especially during the hottest summer days. The Colorado River provides the ideal oasis, and is one of the area’s most popular spots for swimming, boating and fishing. There are even river tours.

IMPERIAL SAND DUNES
The expansive Imperial Sand Dunes, located just west of Yuma, are the largest system of sand dunes in the United States. The dunes offer a spectacular desert vista and offer and provide off-road enthusiasts with an unsurpassed desert playground. The dunes have provided desert backdrops in a number of Hollywood films, including Road to Zanzibar, Stargate, and the Star Wars series.

YUMA TERRITORIAL PRISON
Once the home of some of the territory’s most dangerous outlaws, the remains of the infamous Yuma Territorial Prison provide a rare glimpse of the frontier justice of the Old West.

YUMA SCORPIONS BASEBALL
Yuma’s Desert Sun Stadium comes alive with the excitement of professional baseball. A night at the ballpark is fun for the whole family! The Yuma Scorpions, part of the Golden Baseball League, is a Professional Independent Baseball league. The league fields teams in California, Western Arizona, Southern Oregon, Northern Mexico, and a team from Japan.

A GOLFER’S PARADISE
Golf Digest rated Yuma the 7th best city in the United States for golf. The Yuma area boasts 13 diverse and challenging golf courses. The Desert Hills Municipal Golf Course, rated by Golf Digest as Arizona’s top municipal golf course.

KOFA NATIONAL WILDLIFE REFUGE
Adjacent to Yuma Proving Ground, Kofa National Wildlife Refuge encompasses 665,400 acres of pristine desert that is home to the desert bighorn sheep and the California palm, the only native palm in Arizona.
